ABOUT A2Z

Your first Port of Call.

A2Z Ship Stores has supplied vessels since 2001. We are a certified ship chandler and marine technical contractor, headquartered in Chennai. Our teams deliver provisions, bonded stores, technical stores and safety equipment, and carry out deck and engine repairs, at every port in India, Sri Lanka and the UAE.

STORES STAGED AT THE GANGWAY, READY TO GO ABOARD

Our local teams work around the clock, at the wharf and at anchorage. We pick and check each order under our ISO 9001 quality system, clear it through customs and deliver it in our own air-conditioned trucks.

From our operations offices in Chennai, Mumbai, Kandla, Cochin, Visakhapatnam, Kolkata, Colombo and Dubai we cover both Indian coasts, Sri Lanka and the UAE, and one coordinator follows your vessel from port to port.

Ship owners, managers and cruise lines keep ordering from us because we deliver what we quote, on the day we quote. If your ETA moves or your requisition changes late, we adjust the plan. A supervisor stays on each job until the master or purser signs it off.

WHY A2Z

Why ships choose us

One supplier for the whole port call, a desk that answers at any hour, and quality systems open to your audit.

01

One requisition, every department

Send one requisition for provisions, bonded, cabin, deck, engine and safety stores, lubricants and technical services. One team handles all of it.

02

Open 24 hours

Our operations desk answers day and night, every day. Late ETAs and last-minute additions are part of normal work for us.

03

Our own logistics

We move your stores in our own air-conditioned trucks, so provisions arrive in condition and on time, at berth or at anchorage.

04

Certified systems

ISO 9001 quality, ISO 14001 environmental and ISO 22000 / HACCP food-safety management. FSSAI licensed and Halal certified.

05

E-procurement ready

Send requisitions through ShipServ, MESPAS or email. We are an IMPA member and quote straight from IMPA-coded lists.

06

Technical crews on call

Our technicians carry out deck and engine repairs, motor rewinding, liferaft servicing and painting, alongside or at anchorage.

OUR COMMITMENT

One point of contact

You deal with one coordinator per vessel call, from requisition to signed delivery note.

Clear, line-by-line quotes

Each line priced against your IMPA codes, with any substitute flagged before you approve.

Checked before dispatch

We inspect each order against your requisition before it leaves the warehouse.
